

# Take the “Practice” GED® Test ***And Get Paid !!***

## 5 Easy Steps to Participate in ARIZONA

1. Call your closest Pilot Testing Center to let them know you are interested in participating in the study:

	PILOT TESTING CENTER	CITY	COUNTY	PHONE
	Arizona Department of Education	Phoenix	Maricopa	602-258-2410
	Arizona Western College (AWC)	Yuma	Yuma	928-344-7641
	Mohave College	Bullhead City	Mohave	928-758-1406
	Pima College Community Campus	Tucson	Pima	520-206-6433
	Phoenix College	Phoenix	Maricopa	602-285-7844

2. Schedule your computer-based practice test with the Pearson VUE Call Center at **1-877-392-6433**.
3. Show up at your appointment and take the test. You will receive a score report when you have completed the test in everything but Language Arts – Writing. This is because it takes longer for the essay portion to be read and scored.
  - ▶ Individuals completing a practice test will be paid \$15.00 per test part taken. There are five parts, so that’s a potential of \$75.00.
  - ▶ A passing score of 410 on each part earns you even more! You could earn \$20.00 per part taken and passed. There are five parts, so that’s a potential of an additional \$100.00.
4. Afterwards, take your score report back to the pilot GED Testing Center and schedule your paper-and-pencil GED Test. The Testing Center will need this report to verify that you have completed a practice test.
5. Take your paper-and-pencil GED Test. That’s it!

### **NOTE: Paying for Your Official Paper-and-Pencil GED® Test**

After taking the Computer-Based Practice Test, you have two payment options for the official GED Test. You can:

- a. Wait for the checks from Pearson Vue to use as payment for your official GED Test; or
- b. Pay for the test up front and then use the Pearson Vue check as reimbursement for the money you paid.

## Additional Information

- This is a pilot study focuses on taking the GED Test via computer. Your participation helps develop this option for future test-takers.

However, the opportunity to take the GED Test and get paid is limited. Final dates will be announced in the near future.

- Candidates must be 18 years old or older and not hold a high school diploma or GED.

- This is a “practice” opportunity. Scores from this computer test **WILL NOT** count toward your passing the official GED Test.

- The higher the score on each part taken, the more money you will be paid.  
To boost your score, it is highly recommended that you take a free “Practice Tutorial” first.  
Go to: <http://pearsonvue.com/GED/>

- Once a reservation is made, only ONE rescheduling will be allowed. After that, participation will be closed.

- You **MUST** take the “Computer Pilot Score Report” with you when you return to the original pilot testing center to take your official paper-and-pencil GED Test.
